Comments: I am opposed to the sale of Johnson Utilities to the town of Florence. Firstly, even though San Tan Valley makes up the bulk of Johnson Utilities' customers, we are not able to vote on the sale! Secondly, at present we have been promised our rates will not go up until 2019, but with the sale of the utility, that no longer will be the case. In fact, we can probably expect big increases. We live in AK for most of the year, however, we bought a home in Johnson Ranch four years ago for our stays in the winter. Over half of the homes in Johnson Ranch are owned by seasonal owners who largely contributed to the upturn in the economy of San Tan Valley over the last few years. We hope that this is not how we are repaid for our investments. Thank you for your time.

Sincerely,
Kate Pratt
